Dear RHS Students,

We have been informed regarding some reports of Instagram accounts that have been created to hurt or malign students. These last six months have been extremely stressful for all and thankfully, for the most part, students have been supportive of one another. As we move forward into a new and challenging school year, it is vital that we continue to practice that kind of support for all members of the RHS community.

Each one of you needs to step up and act in the most appropriate manner. What you do online follows you for the rest of your life.

Please be reminded that any hurtful or harassing posts will be investigated by the school and may be referred to the police.

Let's all do our part to make this a positive school year!

Sincerely,

A handwritten signature in black ink that reads "Thomas A. Gorman". The signature is fluid and cursive.
